GOLD COIN DONATION - THANK YOU

## VALE LION TONY FRISINA

Brunswick Lions Tribute

On the 20th of September, the Brunswick Lions heard of the extremely sad passing of the very first Brunswick Lions President, Charter member, Lion Tony Frisina.

Over the 50 years of membership with the Brunswick Lions Club, Lion Tony held varying roles. Up until the past year Tony attended most meetings and was an active member of the club.

His wife, Carole Frisina, is also a major contributor and supporter of Lion Tony and the club by collating and printing the Brunswick Lions Installation Yearbooks.

Lion Tony was an inspiration of volunteerism and dedication to the Brunswick Lions Club and the wider community.

Members of the Brunswick Lions Club who were able to attend Lion Tony's funeral on Friday 2nd October formed a guard of honour acknowledging a dear friend and valued club member.

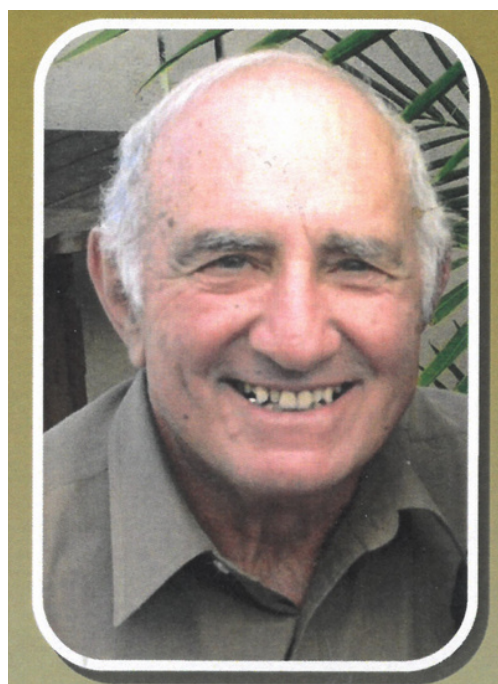

The Club lost a treasured member but Lion Tony's legacy will live on in all that the club achieves into the future. Brunswick Lions Club will continue to serve the community thanks to the strong foundations that Lion Tony help lay for the Club.

Lion Tony was also an active and valuable member of his church, contributed as a school parent when his children were young, and contributed to many other groups for which he volunteered.

The Brunswick Lions Club pass on their deepest condolences to Carole and family.

Rest in Peace Lion Tony

# MAGGIE'S MUSINGS

MARGRET CARBONE

Helloooooooooooooo Brunswick! Thanks for joining us for what has, in the past, been the bumper Brunswick Show issue of The Moospaper. The continuing Coronavirus pandemic has seen the cancellation of many events, including Brunswick Show which was planned for October 24th, as organisers seek to keep everyone safe in these uncertain times. Volunteers at Brunswick Agricultural Society will use this year's preparations as a plan for next year's show and look forward to welcoming everyone back to the Brunswick Show in 2021.

The Government's Phase 5 restrictions plan is set to come into effect on October 24th, resulting in the lifting of the 2 square metre rule and the removal of the 50 per cent capacity limit for large venues, including major sporting and entertainment venues.

The cancellation of Brunswick Show has been disappointing after the dedicated work of the Agricultural Society volunteers, as many businesses and community groups will miss out on the economic benefits generated by the Show. However, the general local feeling is that the Agricultural Society has made the right decision, albeit difficult, in the interests of public safety. It seems no country shows will be held this year, with the Waroona and Collie Shows also cancelled in the wake of the cancellation of Perth Royal Show. Despite restrictions and cancellations, there seems to be a sense of gratitude and contentment amongst the people of Brunswick and surrounds, while they remain quietly alert and follow recommendations to try and keep our community safe. The Moospaper hears ongoing stories of locals helping locals, trading produce, helping with groceries and generally supporting each other. Some even decided to find a fun way to boost local morale, raise awareness and remind people of safety practices such as hygiene and distancing... which is how a mask ended up on the Brunswick Cow! The Moospaper thanks Brunswick's Nathan Dawe for this photo; this is the great community we live in! Although we did wonder how Nathan came by such photos, and who the cheeky "Mystery Masker" might be...!

Stay safe everyone! Don't you just LOVE Brunswick?!

## CORRECTION AND A CALL FOR MUSICIANS!

The Moospaper apologises for an error which appeared in the September issue. The telephone number listed for Brunswick Catholic Parish is an old number, which is no longer operational. The parish now receives all calls through Harvey parish, telephone 9729 1699.

Sunday Mass in Brunswick is held at 10.30am on the 1st, 3rd and 5th Sunday of each month, and at 8.30am on the 2nd and 4th Sunday, unless otherwise announced. All welcome! The parish requires an organist or guitarist to volunteer their talents for regular Masses; if you can help please give the parish a call!

## BRIGHTEN UP BRUNSWICK - WORKSHOP 1

On the 18th of September, we took our group of mural participants to the Brunswick swimming pool where we will be painting the Brighten up Brunswick mural. We all had paper and a pencil and drew something that we loved doing in Brunswick and our favourite place in Brunswick. All the kids did awesome drawings showing all different corners of Brunswick, having a chance to show off their drawing skills to their friends. And if they didn't feel confident Claire helped them to draw better things rather than stick figures. Then coming together as a group and thinking of motivational slogans that we could put onto the mural. All the kids had lots of fun and they can't wait for workshops 2 "Drawing the Mural Design". The project is for anyone between the ages of 12 - 25. ## TERM 3 YOUTH GROUP RECAP

Patrick Majewski, BJCRC  
*School based trainee*

This term we have done so many awesome things with the youth group. We've made lots of food together - working as a team and having lots of fun playing games.

The first week we made colorful biscuits whilst catching up on what we all did in the holidays.

The rest of the term was jammed packed; letting the kids join in a little cook shop where we made pies and pancakes and getting our hands dirty with all the maple syrup and whipped cream it was a lot of fun. Making one of the kid's favorites was toasted cheese sandwiches and fairy bread that everyone shared.

After every activity, they go play on the playground, kick the footy and play ultimate paper-scissors-rock. Then at the end of the day all coming together and playing one big game before going home.

## FESTA MASS CELEBRATION

Margaret Carbone

The Brunswick Catholic community found a different way to continue since 1956 a tradition in the unusual times of 2020.

The "Festa" has been held in Brunswick for over 50 years, with Mass held in the Town Hall to accommodate the busloads of visitors who join locals for this tradition. The day includes a procession around the oval and benediction, and Brunswick has welcomed up to 300 people to the event in previous years, including visiting priests. With pandemic restrictions limiting the number of people at gatherings, and distancing requirements unable to be met for such a large group, the local parish was told that there would be no Festa this year. However, parishioners were able to celebrate on a much smaller scale, with Mass held at Brunswick Catholic church. While there was no benediction or procession, and very few visitors made the journey to Brunswick, the congregation was pleased to be part of a special Sunday Mass in honour of Our Lady of The Assumption, after Whom the parish is named. This was followed by a small gathering of locals in the parish centre, who enjoyed a light lunch and some fellowship to mark the Feast Day which falls on 15 August.

The practice of the annual Festa was brought to Brunswick many years ago by immigrants from the town of Delianuova in Italy and has been held annually except for a couple of years during World War II. The community looks forward to welcoming the tradition back to town in 2021.

## NEWS FROM PALMERSTON

A Palmerston Therapeutic Community Information session held at the Bunbury office last month was well attended by staff from all services and provided an opportunity to network. Vicki, Jess and Ricki-Lee all delivered presentations on the therapeutic communities and the services Palmerston is offering. Staff were interested in the new therapeutic community at Casuarina Prison and whether it would be possible to refer clients from Bunbury Prison to enable them to take part in the new program. It can be expected that Casuarina will be getting a lot of interest regarding transfers in the coming months. Senior Residential Services Coordinator Palmerston Farm TC, Wendie Williamson, said everyone had a good day at the session and thanked the team involved for their efforts to make it such a successful morning.

## RIVER COTTAGES

You may have noticed that the Brunswick River Cottages (BRC) Stage 2 is now complete, with all rental units fully occupied, Lease for Life unit 18 purchased by a local family and number 17 and 19 currently on the market.

Planning of the next stage has started to take shape with the Shire of Harvey staff dedicating many hours into the Business Case for further funding. This also includes the wonderful advocacy and support from parliamentary members Robyn Clarke MLA, Colin Holt MLC and Liza Harvey MLA.

The Business Case includes a further 12 rental units, which are very much needed with a waitlist of almost 20 eligible older Australians and the communal area which will be a place of kin-ship for Brunswick River Cottages residents and their families to enjoy.

Did you know that Brunswick River Cottages is a volunteer board partnered with the Shire of Harvey to manage a local housing project? The committee is dedicated to managing the growth and economic benefits that the Brunswick River Cottages complex will bring to Brunswick.

Being a community housing managed project means that management can ensure residents are a good fit for Brunswick, management wants to see residents who will participate in the active lifestyle Brunswick has to offer. We congratulate a number of our current residents who volunteer with several local community groups; Hands up for Kids, Brunswick Red Cross, Brunswick Men's Shed, Brunswick Lions, Brunswick Community Resource Centre and the Brunswick Community Garden.

Stage 3 Site Plan - this can also be found on our Facebook and Website

Brunswick River Cottages Committee is proactive with ensuring day-to-day management of the cottages is not a burden on committee members with the engagement of the Brunswick Community Resource Centre as the Residential Managers. With this partnership in place committee members can focus on the financial and long term strategic management of the Cottages long into the future.

With the upcoming AGM, Brunswick River Cottages is actively seeking committee members to join the team. The committee meets quarterly at the Brunswick Memorial Hall and occasionally, with those that are available, Ad-hoc meetings are held for decisions relating to current projects.
