WINTER MOVIE NIGHT A HIT IN BRUNSWICK!

Erin Maloney

Despite the chilly winter weather, the Brunswick Town Team's Winter Movie Night on July 18th was a huge success, attracting a great turnout of families to the Town Hall. The event featured a double bill of "Rio 2" and "Around the World in 80 Days", providing a fun-filled evening for all ages.

One of the highlights of the night was the VIP beanbag seating option, which proved to be extremely popular and sold out. This added an extra layer of comfort and enjoyment to the movie experience.

The food sales were also a hit, with the choc top ice creams being a particular favourite among the kids (and kids at heart!). Hot dogs, popcorn, lollie bags and drinks were also available for purchase, adding to the festive atmosphere.

The feedback from attendees has been wonderful, with many praising the event for its organisation and entertainment value. The Brunswick Town Team would like to extend a huge thank you to everyone who came along and stayed for both movies.

We're already looking forward to bringing you our next movie night and events! Mark your calendars and get ready for more fun times in Brunswick.

MAGGIE'S MUSINGS

MARGRET CARBONE

It's August with The Moospaper! We hope you enjoy this issue brought to you by local happenings! A special recent local happening was the Wine and Cheese Afternoon at Brunswick Bowling Club. Guests were treated to a fine selection of wine and cheese pairings, all from local producers who provided interesting facts about each wine and cheese, as well as the reasons behind their pairings. Speakers included Charl from Harvey Cheese, Suzanne and Phillip Hall from Hall's Family Dairy in Wokalup and Mark and Julie Moloney from Harvey's Fifth Estate Wines. The club bar was open for other drinks, there were raffles and door prizes and music to enjoy tastings by! Everyone enjoyed a very companionable and pleasant afternoon, and many were heard to remark that they will be back next time! A big thank you was extended to the organising team led by Joanne Norton, and to all who supported the day to raise funds for the local club.

Mark and Charl

Michael and Mary Italiano with Neil and Helen Campbell, friends for over 70 years!

Angie and Ross Princi

Mark and Julie

Joanne with Helen Shine, Jean Shine

Suzanne and Phillip Hall

Julianne Hill, Heidi Bibby, Margaret Lewis

And there's more events going on in Brunswick in August! Keep Tuesday 5 August free for an interesting community event at Brunswick Town Hall. The Shire of Harvey is holding Community Meetings in different parts of the shire, where locals can go along and hear about what the shire is doing in the area. The Brunswick meeting will run from 6pm to 8pm, and questions to be discussed at the meeting may be submitted either online, via email, by mail or in person at shire offices. Details may be found on the Shire of Harvey website. In addition, the Brunswick meeting will include a limited time for questions from the floor plus an opportunity to mingle with Councillors. To confirm attendance, please rsvp via the shire website. Thanks to the Shire of Harvey for bringing a community meeting to our town!

On Saturday 9 August, Brunswick Oval is the place to be for the last home football game of the season. Harvey-Brunswick-Leschenault will host Donnybrook, with the league playing a twilight game at 4.40pm. Finals will begin at the end of August.

MAGGIE'S MUSINGS

MARGRET CARBONE

The following Saturday, get along to Brunswick Town Hall for the Brunswick Markets 8.30am - 12.30pm. There will be a range of stalls and plenty to browse! If you would like to book a stall, contact Brunswick Community Resource Centre for a spot to showcase your wares! Limited places available! On Sunday 17 August, the local Catholic community will celebrate the Feast of Our Lady of The Assumption, which was a very big celebration in town for over 50 years. Since the outbreak of COVID-19, the celebration is held on smaller scale, with no procession through town and Mass at 10.30am in the church instead of in the Brunswick Town Hall. All welcome!

As winter draws to an end and spring beckons, thoughts turn to Brunswick Show! Many have Italian Sausages ready in cryovac for the competition to be held during show week, or have planted flowers or vegetables or are making home brew. Details on all sections will soon be on the Brunswick Show website so you can plan your entries! Thanks to the volunteers at Brunswick Agricultural Society, everything will come together for another great local Show on 25 October! Don't you just LOVE Brunswick?

CONGRATULATIONS TO

BRUNSWICK TOWN HALL

Next year, the Brunswick Hall will celebrate its 90th anniversary.

My husband always said they built the Hall to commemorate his arrival.

94 years ago, Roy Barnes and his brother Tom from Benger were asked to play the piano and drums for the Brunswick Agricultural Society Show Ball in the Hall. On their way to the function, a wheel came off their old car.

After groping in the dark with lit matches, they eventually found the wheel, along with some wire, to repair it with.

By the time they arrived at the Hall, in a vehicle running on three and a half wheels repaired with wire, they were more than a little late.

The hall was packed with people, so as soon as they arrived, Roy started to play the piano for dancing while Tom set up the drums. Unfortunately, while Tom was trying to assemble his drums, much to his embarrassment, a cymbal fell onto the stage, rolled onto the dance floor, whirling all the way down to the centre of the Hall, stopping with a clang.

After the Ball, Roy and Tom thought they had better charge less for being late, but the Committee decided they had had such a good time they would pay them more, so they went home very happy with two pounds ten shillings each.

Riley Morgan story

For over a hundred years a lonely grave on the hill at Brunswick did not have a headstone until the Brunswick Lions Club Members decided to rectify this and on November 16th 2019 it was unveiled with a small service.

The Morgan family were living in a tent, working at the Worsley Timber Mill with their six children. Other workers also had families on the site.

One day, Riley Morgan became sick and his parents realised it was serious, that he had diphtheria and left the other children at the Mill to make their way by horse and dray to Australind, to see Doctor Paris.

Nearing Brunswick, Riley passed away and his parents knew they couldn't take him back to the tent.

As the ground was soft they buried him beside the track.

An advertisement in the West Australian, "Can We Help You" posted by a family member provided the information and the child's name. Unfortunately she passed away shortly after...the family always knew he was buried at Brunswick, but Shire and Australind Cemetery Records could not assist them when they enquired. His death was not recorded. Sometimes the sun shines on the plaque and can be seen from the South Western Highway.

Movie Mania in Brunswick

The Rowe Family

Brunswick locals enjoyed family fun on Friday, 18th July for a cosy community movie night at the Brunswick Town Hall — and it was a hit with the kids!

Around 40 adults and children gathered for the screening of Rio 2 & 80 Days with families settling in on bean bags and chairs to enjoy the colourful, music-filled adventure. The relaxed atmosphere and warm community spirit made for a memorable evening.

Lincoln, one of the young moviegoers, said, "The movie was awesome. The choc bomb ice cream was yummy!" His brother Isaac agreed, adding, "The popcorn was salty and it was great."

With comfy seating & tasty treats, it was a night to remember for Brunswick families.

THANK YOU, BRUNSWICK TOWN TEAM, FOR

The Shire of Harvey invites all residents, business owners and community groups to attend our upcoming **Community Meeting in Brunswick Junction**.

This meeting provides an opportunity to hear updates on Shire projects, services and strategic plans.

It is also your chance to raise your questions directly with Council.

Meeting details

Date: Tuesday, 5 August 2025

Time: 6pm to 8pm

Location: Brunswick Town Hall

RSVP essential: Please confirm your attendance by 30 July via this link to help us prepare.

Submit any questions you may have by 27 July.

Questions for Council

Community members are encouraged to lodge questions for Council in advance to allow for a more informative meeting. Questions can be submitted via:

Online form

Email: shire@harvey.wa.gov.au with a subject line: "Question for Community Meeting on [insert date]"

Mail: PO Box 500, Harvey WA 6220.

In person: at our Administration Centres and Libraries in Australind and Harvey.

More information:

Please contact marketing@harvey.wa.gov.au for more details.

For more information/events that are held by the Shire of Harvey go to their website and check out the event page

EPOXY FLOOR COATING

PREMIUM EPOXY FLOOR COATING

RED offers premium epoxy floor coating services for farming, agricultural and industrial sites across Western Australia.

Providing farms and businesses with durable, chemical-resistant flooring.

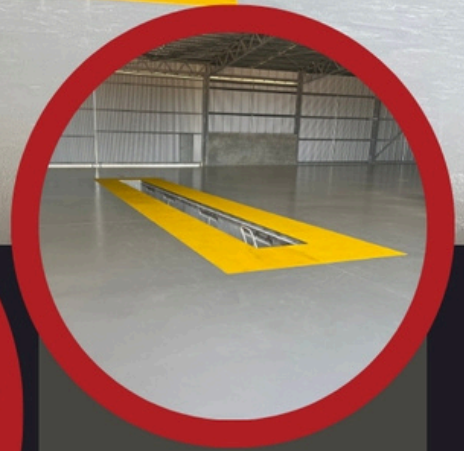

With a focus on quality and compliance, RED's epoxy coatings protect concrete surfaces from oils, chemicals, and wear, ensuring long-lasting safety and easy maintenance.

FLOOR MARKINGS

Floor markings are essential for meeting OHS regulations in factories, warehouses, and workplaces that enhance safety by clearly designating pedestrian pathways, vehicle zones, and hazard areas.

Using standard colour codes: yellow for caution, red for danger, green for safety, as well as non-slip grated epoxy additives. RED's durable epoxy markings clearly define pedestrian paths, vehicle zones, and hazard areas, reducing accidents and enhancing workflow.

CHEMICAL SHEDS

REDs seamless, non-slip finish enhances safety in high-traffic areas, providing a resilient solution that stands up to oils, chemicals, and heavy use.

With RED, Wheatbelt operations get expert service and flooring designed to last.

With over 20 years of experience, Guy Mouritz, Director of RED, combines his extensive background in construction and expertise in concrete, including grinding, levelling, grouting, sealants and repair, specialising in high-quality flooring specifically for the agricultural industry.

Lions Tales

Ron Arkwright

The month of June is another busy month for the Brunswick Lions Club.

Apart from our normal Tuesday meeting, an extra meeting was organised for the Brunswick Lions loop to join the Dardanup Lions as their guests. The fellowship between the Brunswick and the Dardanup clubs has been long-standing for many years.

Wood cutting day, a number of our members gathered at the property of our President to clean up and fill a few trailers with ready cut wood, a

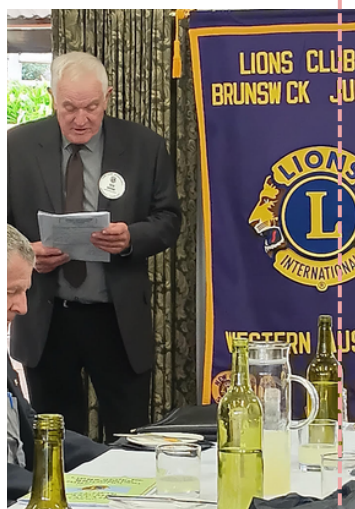

great buy for someone ready for the winter plus a few extra dollars in the club pot. Just one of the trailer loads of wood is ready for someone's fire, and I believe there are two or three extra trailer loads available at a bargain price.

June the 29th the day of the Brunswick Lions Club Change Over.

The start of our season 2025/2026.

Held at the beautiful Evedon Park Restaurant new Committee signed in the New President appointed (although our President Rob George, will start his second term)

Over 40 people attended, made up of Lion members, partners and guests, unfortunately, for the first time in 10 years, I was not able to attend due to a bout of the dreaded flu.

Rob George current President reading his report for period 2024/2025.

Brunswick Lions President 2025/2026 Rob George reading his acceptance speech to carry on as President for a further 12 months

Member Les Robinson was awarded Life Membership of the Brunswick Lions Club In honour of the many years of service. Brunswick Lions Club Secretary Mike Kelly was also awarded the prestigious "Club Secretary of the year 2024/2025." for the district 201WA.

Lots of hard work and headaches go with the position of club secretary which Mike handles very well. (no photo available).

Part of a good attendance of around 40 people

Lion member Laurie taking on the role of Installation Officer for the day.

That ends a very busy month.

History of Brunswick

Judy Talbot OAM

EXCERPTS FROM NOTES WRITTEN BY THE LATE MOLLIE CLIFTON IN 1986 ABOUT BRUNSWICK RED CROSS.

MY first Brunswick Red Cross Meeting was at the home of Miss Harriet Partridge in 1936. The main aim as it is to-day was fundraising. We served lunches at the Brunswick Cattle Sales and afternoon teas at sales on farms, which involved many hours of cooking. Marjorie George, who lived at Olive Hill, offered the use of her house, and she also had a very large wood stove in which to cook our cakes, This stove had two ovens with the fire box in the middle. Four women would arrive about 8.30am, my job weighing the sugar and flour and greasing the tins. Another would wash up, while others prepared the mixture. Later in the afternoon we would ice the cakes. We usually arrived home about 6pm, having cooked and iced over 100 cakes. Of course, other members cooked in their own homes. For the Red Cross March Appeal, the District was divided into sections and volunteers were asked to collect from farms and homes in those areas. The difference between them and today is that not every woman could drive a car; some walked long distances and being March was always very hot and lots of flies. In 1961, a huge fire broke out in Dwellingup and as many women as could cooked scones etc and served refreshments to the firefighters. Many firefighters were suffering sore eyes from the smoke. We had eye baths to irrigate their eyes. On moving to Bunbury, I joined the Bunbury Red Cross and I used to collect along King Road, do Hospital Visiting and assist with the Hospital Trolley and help at their Fetes. Having a Red Cross Shop with second hand clothing has been a wonderful fundraiser.

A more serious Saturday morning . Brunswick Lions acknowledge the service of Lion Member Bev Dungey by adding a plaque dedicated to Bev affixed to the memorial seat situated at the Lions Club park. Those attending included Ross Dungey and Beth seen unveiling the memorial plaque.

Regards Ron Arkwright
Brunswick Lions Club.

BIRD BOX WORKSHOP - BUILD FOR WILDLIFE!

Sat, 9 Aug, 10am - 1pm
Koolambidi Woola (Youth Precinct)
Bunbury WA, Australia

Event description

Join the Leschenault Catchment Council for a hands-on Bird Box Workshop, a fun, educational morning for nature lovers of all ages. This event is part of both the Community Wildlife Stewardship Event Series and Estuary Connect's Helping the Estuary at Home initiative—supporting local wildlife conservation, right from your own backyard.

Led by wildlife ecologist **Simon Cherriman** and environmental educator **Danielle Crichton** from **The Re-Cyc-Ology Project**, this engaging experience will teach you about the fascinating world of tree-hollow-dependent species—like owls, possums, and black cockatoos—and how you can support them by creating nest-boxes using recycled materials.

What's Included:

A presentation on native birds and the importance of tree hollows
A hands-on nest-box building session using sustainable materials
A chance to win 1 of 3 Leschenault Community Plant Vouchers (\$50 each!)
Contribute to local conservation—10 completed bird boxes will be donated to the City of Bunbury and installed in local bushland reserves
Morning tea and lunch provided

Why Bird Boxes?

Natural tree hollows take centuries to form—and many have been lost due to land clearing. Nest boxes offer a vital refuge for hollow-dependent species and are a simple, rewarding way to help wildlife thrive. You'll leave inspired with practical tips to turn your garden into a haven for native fauna.

What to Bring:

Enclosed shoes

Good vibes

Tickets are just \$15 per adult or \$5 for children under 16. (Children must be supervised.)

As places are limited, we kindly ask that you notify us if you're unable to attend. Refunds can be issued if we're informed prior to the event, allowing us to offer your place to someone else.

This event is supported by the City of Bunbury through their Habitat Bunbury Project, and by the Leschenault Catchment Council's Estuary Connect Program, funded by Lotterywest—helping build a better WA together and Water Corporation.
