## **NOONGAR COUNTRY 2022** **Kaarla Koort-ak: Woonya, Moort, Boodja**

The Noongar Country exhibition is an annual highlight in the Bunbury Regional Art Gallery calendar. The exhibition showcases work from established and emerging Indigenous artists residing on Noongar Boodja and highlights the many styles, stories and talents of the region.

Kaarla Koort-ak: Woonya, Moort, Boodja invites contemporary Aboriginal artists living on

Noongar Boodja to explore themes which unite us as people. Things such as love, family and our love of boodja and how this relates to the past, present and future of our people.

It takes place between 25 June and 21 August 2022, between 10:00am and 4:00pm. Curator talks are free to attend and are held on Tuesday 12 July at 11am, and Tuesday 2 August at 11am.

# MAGGIE'S MUSINGS

MARGRET CARBONE

Welcome to July! Cosy nights with warm soup by the fire are always popular this time of year, but with the state government announcing that the peak of the corona virus pandemic has passed, some are now looking to venture out a bit more, albeit with an optional mask in tow! Well, we are in the right place, with some great events coming up around Brunswick.

Harvey-Brunswick-Leschenault Football Club will host three home this month. The first will be against Busselton on Saturday 16 July in round 15, the Indigenous Round. The following week is the Think Mental Health Round, with HBL hosting Dunsborough on Sunday 24 July. The league have a bye in this round, but we can still get down to from the colts, reserves and women's games. Then it's back to Brunswick Oval on Saturday 30th July as HBL meet Bunbury in round 17. Go Lions!

Following to a wonderful initiative by Brunswick Community Resource Centre, Brunswick Tavern is holding community quiz nights over winter. The first was hosted by Brunswick Tennis Club in June, with lots of fun had by all, and happy faces as many left with great prizes! Look out for future quiz dates in The Moospaper and on the Centre's Facebook page.

But the big Brunswick event for July is the Bridgerton Ball! A group of local volunteers will stage the ball as a fundraiser for charities, including SAFE Animal Rescue Bunbury and South-West Women's Refuge. The alcohol-free event will be held at Brunswick Town Hall on Saturday 23rd July from 6.30pm to 10pm. The idea arose due to the popularity of the "Bridgerton" series, which screens on the television streaming service "Netflix"; and begins with the story of London society families during "ball season" in the year 1813. Tickets are now for sale on the "eventbrite" website at a cost of \$30 per person, with refreshments included in the ticket price. Ball goers will enjoy the sweet sound of a string quartet between 7pm and 8pm, and some locals are even planning to dress in regency-era costumes!

Further details are on the "SW Bridgerton Ball July 2022" Facebook page. Get your tickets now for an evening of costumes, refreshments, music and dancing!

Don't you just **LOVE** Brunswick?

# CRICKET IN BUREKUP RECEIVES A BOOST

Kristy Hitchens, Shire of Dardanup

The 2022/23 Burekup cricket season is looking bright with a \$12,500 upgrade to the town's cricket pitch almost complete.

The project has been achieved following work by Burekup Cricket Club to attract \$7,500 in funding via Cricket Australia's Grassroots Cricket Fund and the Australian Cricket Infrastructure Fund plus a top-up of \$5,000 from Dardanup Shire Council.

Plans to upgrade the pitch were listed in the Burekup Community Facilities Plan as a "possible longterm project" but has been achieved sooner than anticipated thanks to the grant funding.

Club President Nathan King said improvement works have included removing old concrete, installation of new concrete, reticulation upgrades and levelling of sand around the pitch.

Once the new concrete has cured, fresh carpet will be laid to complete the project.

# QUIZ NIGHT SUCCESS

Tina Wallis

While we are lucky to have such a range of community groups to be part of in Brunswick, there are going to be a few gaps in access, especially at certain times of the year.

An idea that has been bubbling beneath the surface for a while now, has finally been given an opportunity to materialise. A Community Pub Quiz!

With Brunswick CRC and Brunswick Tavern co-facilitating, the concept of different community groups staging and hosting the event, resulted in an impressively fun and entertaining evening, enjoyed by all. Thanks to this month's hosts, Brunswick Tennis Club, over 60 people came

along to take part, bringing their knowledge of history, sport and music, to name a few topics! Congratulations to the winning teams and to the organisers from the Tennis Club who made the whole evening a great success. Prizes together with a raffle were generously shared amongst the winners.

Now planned as a regular event over the next few months, we invite you to join us again on Wednesday, 27th July @ 6.15pm for another round or two! Book your table with Brunswick CRC on 9726 1452 or 0402 063 885. If your community group would be interested in hosting a future quiz, please get in touch with us.

# SIP AND PAINT WITH A DIFFERENCE

Tina Wallis

Giving back to those who so generously offer their time and input is often a conundrum. Mostly, our experience with volunteers is that they don't want to feature as a focus of thanks, they do it for the love and the greater benefit of the community. Of course, we have the special annual events marked in the calendar, to celebrate the work of volunteers with volunteer week and volunteer day to acknowledge all the wonderful people who make our community the great place it is. On this occasion though, we wanted to ensure the supporters of Brunswick Community Resource Centre, who contribute to the centre's day-to-day operations, received something a little extra - a dedicated Sip and Paint session.

Although, it was more like a big family Christmas gathering with the gifts of laughter and fun as the resource centre's staff, committee and fellow volunteers took to their canvases, sharing a common creativity through their individual masterpieces. Lovely to feel such comfort and ease between a group of people who are always a pleasure to be with and to discover some amazing hidden talent too, not that the painting was a key focus of the evening, rather, more about sharing time together in a fun activity.

**Cheers** to everyone who made the night, a very special one!

# AN INTRODUCTION TO THE PEOPLE BEHIND FOODBANK

Chevonne Greenhalgh

This week I thought I would take the opportunity to introduce Leonie from Foodbank and find out a little more about what the organisation is all about and the assistance that is provided to our local communities.

Leonie and Glenn are the driving force behind Foodbank here in Bunbury.

"All our Food is sourced from donations from any available supplier that is able to help us out with new additions being added in all the time. Most of our help comes from companies that are based in Perth, our storage warehouse is also at the Perth airport which makes it easier to assist with collections and distributions, both North and South of the river."

"We store our food at 5 Clifford St, Bunbury. Our Foodbank has 3 full time staff and on a temporary basis, 2 part time staff. We have a large walk-in cool room and freezer and a separate shed for dry goods and storage/distribution of our School Breakfast program. We are well known to many local schools which we supply with the program that encourages all children to come and have breakfast, offered to them before classes begin in the morning."

"Foodbank supports the "Healthy Food for All" program which educates everyone on the importance of healthy eating. Extending out into the community we are reaching customers through schools and community centres throughout Western Australia."

"At the moment Foodbank delivers as far as Yarloop and down to Margaret River, but they also visit orchards and farms to collect fruit and vegetables from Harvey to Pemberton and further down south when they are offered donations."

Asked what was the most enjoyable thing about her job, Leonie replied that she enjoys assisting people who are under stress, and having them realise that it is ok to access Foodbank. Helping them get the required paperwork and complete their food purchases. Also working with a team of great volunteers. "Without them we could not do what we do."

If she had the opportunity to sit down with someone for tea she would like to sit down with people who could influence others to support Foodbank, great chefs that do amazing things with food, to the fun classes that children have in our food education program and the smiles from the kids enjoying breakfast at school.

# BRUNSWICK JUNCTION COMMUNITY RESOURCE CENTRE TRAINEE UPDATE

Ben Jauncey

Hello everyone once again, for those who don't know me I am Ben, the trainee at the Brunswick Junction Community Resource Centre, I was introduced to you all back in the March edition of the Moospaper. It's time to give you all an update on my traineeship in Property Management and Residential services.

Over the past 5 months I have been helping with the management of Brunswick River Cottages along with taking part in a work placement with Elders Real Estate in Bunbury, which has just become the biggest agency in Bunbury after taking over the local Ray White.

Whilst doing this and as a part of the traineeship I have also been studying Certificate IV in Real Estate Practice at the end of which I will be qualified and able to apply for unrestricted registration as either a Property Manager or

Sales Agent with the Real Estate Industry of Western Australia (REIWA).

During the course so far I have completed and passed in units Appraise a property for sale or lease, Market a property, Establish vendor relationships, Establish buyer relationships, along with a cluster of 5 core units providing a foundation involving the Real Estate industry.

There are 14 units in total (not including the cluster) and I am close to reaching the halfway point in terms of my studies.

At this rate I hope to complete the course work by the Christmas break, which will give me time with the help of Elders, and the Resource Centre to start applying for my certificates, and professional accreditation by the end of the traineeship in February if all goes well.

# YOUTH GROUP AT THE BRUNSWICK COMMUNITY RESOURCE CENTRE

Kerry Bull

Fridays can be rather energetic at Brunswick Junction Community Resource Centre as they hold a youth group for children aged 7 to 11. The centre offers a safe and accessible place for local children to meet and socialise with other children from the local community. The children are greeted at the door on arrival before helping themselves to fruit and water. Then comes the choice of which activity to take part in first! Activities focus on improving children's confidence and social skills and vary each week. They include colouring in, word searches, painting, board games, Uno and Twister indoors with basketball, soccer, softball, balance beams, hula hoops, swings and climbing frame outside. Every week there is a kitchen activity where the children are supervised and guided through making snacks for the group including pizza scrolls, toasted sandwiches and sometimes a sausage sizzle.

Late night runs every second Friday and offers children aged 12-18 the opportunity to meet up. It is held at Brunswick Junction Recreation Centre where Basketball and other team games are encouraged whilst focusing on strengthening their sense of identity, improving their decision-making skills and reducing anti-social behaviour. Water and snacks are provided and special activities are organised throughout the year, the most recent being a drumming workshop.

Youth group runs from 3pm to 5pm and Late night is 5.30pm till 8.30pm. There is no charge for attending youth group or late night as they are currently funded by grants. So if you know of any children that wish to make new friends, join in with activities or simply need to run off some Friday afternoon energy then they are welcome to join us and we look forward to meeting them.

# YOUTH GROUP LATE NIGHT DRUM WORKSHOP

Tina Wallis

They may have only been few in number, but the sounds created by late night group's drumming workshop indicated a bigger turnout! Learning some basic drumming techniques demonstrated on djembe drums, the youth at Late Night's group session rocked Brunswick Recreation centre? Taking time out to eat Turkish pizza, shoot some nets and create a rhythm as part of the performance, takes some skill. Thanks to Gina Newport of Dindindi Drums, Bunbury, our star drummer and tutor for a great session. Also a shout out to the Shire of Harvey for the funding and continuing support of our youth programs running in Brunswick. We look forward to our ongoing partnership and to scheduling special events for the younger members of our community, in the year ahead.

# YOUR RIGHTS WHEN SELLERS COME KNOCKING, TEXTING OR CALLING

Consumer Protection Senior Regional Officer for South West,  
Annetta Bellingeri

Being contacted out of the blue by a business wanting to sell you something is a scenario many consumers will be familiar with.

Whether it's a knock at the front door from a salesperson, or unsolicited text messages, phone calls and emails, it may help to know there are strict rules surrounding how businesses are allowed to contact you.

When it comes to door-to-door salespeople, there are restrictions on when they can visit. They can only knock between 9am and 6pm on weekdays and between 9am and 5pm on Saturdays, they must explain the purpose of their visit and they have to provide identification. If you ask a salesperson to leave, they must go immediately.

Should you make an agreement with a door-to-door seller, they must provide a copy of the

signed contract and disclose your 'cooling off' or termination rights. Under the Australian Consumer Law, you have 10 business days to reconsider an agreement and cancel it without penalty.

If you'd prefer uninvited salespeople stay away altogether, consider displaying a 'Do Not Knock Sticker' at your front door or gate. Ignoring this message means they are in breach of the Australian Consumer Law and can be reported to Consumer Protection.

Consumer Protection hands out hundreds of free 'Do Not Knock' stickers every year – either from our city and/or regional offices, through mail-outs when requests come to the contact centre, or via our Community Education team when they are visiting communities.

Other ways businesses may try to target you are via telemarketing calls and spam emails or text messages, which is an area regulated by the Australian Communications and Media Authority (ACMA).

Just recently, an online wine retailer paid a \$204,000 fine after ACMA found it had sent unsolicited text messages to consumers who had tried to unsubscribe, made calls to phone numbers on the Do Not Call Register, and failed to terminate telemarketing calls when requested.

Even though businesses must have your consent to send e-marketing and are not allowed to contact numbers on the Do Not Call Register, these measures unfortunately won't stop calls and text messages from scammers who do not comply with the law. Complaints about unwanted communications and spam can be made to ACMA at [www.acma.gov.au](http://www.acma.gov.au)
